

Jeromy Wilson

I have been a member of the Policy Council for about 6 months now.

My favorite part about the OELC is how wonderful the staff are and how much I've learned as a parent along the way.

I chose to be on the Policy Council to make a difference in any way I can. Even if it is as simple as handicap parking issues. My responsibility is to help my child's development and to provide accountability for all parents to their children and their children's development.
